

# **MRHA 2009 Policy Priorities**

- **MRHA supports Minnesota's efforts to provide health coverage for all.**
- **MRHA endorses rural representation on all state healthcare task forces and planning groups.**
- **MRHA recognizes the "essential" nature of long term care facilities in rural communities.**
- **MRHA strongly supports "aging in place" initiatives.**
- **MRHA supports the planning for and implementation of standards for certification for medical interpreters.**
- **MRHA supports the development of a Rural Opportunity Assessment (ROA), and other initiatives that foster a new rural economy.**
